### Technical Rider

The following shall be considered an integral part of the contract between the venue and the production.

**LOAD-IN:** Load-in and lighting check is preferred to begin at noon the day of the first performance.

**CREW:** Crew requirements for the show will be as follows:

- One technician to handle both simple lighting cues (4) and approximately 25 simple sound cues (telephone).

**STAGE:** The stage should be approximately twenty-four (24) feet in width and eighteen (18) feet in depth.

**LIGHTING:** The theatre lighting system should be equipped to provide one large working area and one small special area is desired towards the rear/upstage, but not required.

**SOUND and ELECTRICITY:** You must provide a sound system that is sufficient to cover your hall along with someone who is familiar with equalizing the room.

A wireless microphone is desirable if the room/audience is large. Sufficient batteries should be supplied for the wireless mike.

A CD player will be needed for pre- show music.

**DRESSING ROOMS:** We require one secure dressing room that is lockable.

**CONSUMABLES:** None.

**PROPS:** TBA

**SET:** The following is to be provided by Presenter at Presenter's cost: All of these items are usually found around the theater. If not, they can be picked up from a second hand shop or Salvation Army Store. These items should NOT be new or in good condition. All items must be present upon Load In.

1) One (1) old fashioned desk with drawers, oak color preferred. The top and bottom drawers must open and close easily as this is essential to the show.

2) One (1) old fashioned rolling desk chair, oak color preferred.

3) One small wood side table.

4) One (1) coat rack with a minimum of four (4) hooks at top.

5) Several paper boxes.

6) Ream of paper.

7) Use of assorted junk found around the theater such as an A-frame ladder, trash can, etc. Artist will sort this out upon arrival.

**WARDROBE:** For duration of the run, please provide the following:

1. Three (3) solid wood coat hangers
2. One (1) iron and ironing board .

**MERCHANDISE:** There will be a small education/information packet for sale to accompany the show.

Should you have problems with any of the items listed above, please contact us immediately. This will greatly assist in the success of the production.
